

# DRAMAS IN GREAT OSBORN HEALING CAMPAIGN IN JAMAICA, B. W. I.

(During this great campaign, 125 deaf mutes, 90 totally blind, and hundreds of other equally miraculous healings resulted from the simple "prayer of faith" and the daring commands in the Name of Jesus Christ by Evangelist and Mrs. T. L. Osborn).

From left to right: Lady totally blind and totally deaf since a small girl receives her hearing first (1), then, after rebuking the blind spirit she received her sight (2). Being totally blind and deaf, the poor lady had no idea where she was or why she was there, but when able to hear and see, it is quite doubtful if there was ever a woman happier in the world at any time. She literally screamed, jumped, squealed and yelled for joy (3). She would look at the light and scream, "Look at de lite! Look at de lite!" Then she would jump and bow completely to the floor, clapping her hands as fast as she could for joy.

**A MIRACLE OF MIRACLES**—Veda McKenzie, 61 Penn St., Jones Town P. O., Kingston, Jamaica, B. W. I., was stricken with a complete stroke on a Sunday, which rendered her totally unconscious and absolutely helpless. From Sunday till Thursday, she lay in this manner, practically lifeless, unable to eat or drink, knowing absolutely nothing; her eyes rolled back in her head. Three women loaded her into a wheelbarrow and brought her across town and into the building, laid her on the floor, and waited patiently from 4 p. m. until 10:45 that night when her turn finally came for prayer. After the Evangelist rebuked the demon, charging it to leave the woman's body, he called out with a loud voice, "Veda, open your eyes and look at me, and be thou healed." She immediately responded, sat up, stood up, walked, and was perfectly and instantly healed. She walked home well. Her testimony to the great Sunday afternoon "Thanksgiving (testimony) Service" was, "Folks, look at me. I am Lazarus who was dead, but thank God I am alive."

**MIRACLES WROUGHT IN THE JAMAICAN CAMPAIGN**—From left to right, (1) a totally blind lady receives sight; (2) a mother and daughter, both deaf mutes from birth instantly healed, and (3) another deaf mute from birth instantly hears watch from both ears, and speaks clearly.
