

## SIX DEAF MUTES WERE HEALED ONE NIGHT IN OSBORN'S PRAYER LINE

Each one heard Mrs. Osborn's Lady Elgin Watch in either ear

We are convinced that the only method of rapid evangelization of the world is by means of the Sign-gift ministries, in which literally thousands are turned to Christ in a brief time. To encourage missionaries and God's ministers everywhere to believe for this ministry, we publish these pictures of miracles occurring under the ministry of Rev. T. L. Osborn. The results of a four-months ministry in Jamaica were the conversion of 10,000 souls.

Among nearly thirty deaf mutes who have been delivered during the Detroit Healing Campaign are these six who were all healed in one night; a young child, an elderly woman and two young married couples, Mr. and Mrs. Harold E. Hill of 1467 Cleveland Avenue, Columbus, Ohio, and Mr. and Mrs. William C. Harris of 336 S. Mulberry Street, Logan, Ohio. The audience in the Masonic Temple at Detroit was electrified as five of these shown above were delivered, one right after the other, and to increase the thrilling drama of these twentieth century miracles, the elderly woman, while sitting in the audience, jumped and shouted, trying to express herself that she could hear, too. Hearing the music from the piano, played by Evangelist Osborn, was a new experience for all of them.

### Bosworth-Osborn-Benham Meetings

(Continued from Page 1)

he made the statement that he believes that this special move of the Spirit of God is no doubt God's last move for this age.

We were delighted also to meet Brother and Sister Osborn also of the party. Brother Osborn prayed for the sick in another line, and as we watched, our hearts were thrilled as we saw many deaf and blind and those with other afflictions marvelously healed while on the platform. Brother Osborn spent four months in Jamaica where a revival of tremendous proportions developed under his min-

istry. Some 90 blind people received sight and during that time, besides the great number of healings, 10,000 gave their lives to Christ.

The remarkable ministry of Brother T. L. Osborn is of especial interest to us, as it was on the last night of the Portland meeting which we directed in November, 1947, that Brother Osborn, a pastor in the city, attended and received inspiration to begin a healing ministry. At once, mighty miracles took place, and since then his ministry has grown until multitudes have attended his meetings and thousands have been healed. His writings on the subject of Divine Healing are noteworthy.
